

6-7-2021 SAFE SUMMER CAMP COVID19 HEALTH POLICIES:

Please note: These are the general policies reflective of the COVID19 situation to date. All campers will receive emailed up to date policies at the time of their specific camp.

CHECK IN: In addition to our current check in policies of registration materials review, counselor & housing check in, health officer review, medication check in & lice check; all students will have temperature checks as well as complete a COVID19 Waiver of recent health questionnaire. Students should not be sent to camp that have had a fever in the last 24 hours and must be illness free for 48 hours prior to the start of camp.

DURING CAMP:

- “Head to toe sleeping” will be in place (meaning that campers on the top bunk will not have their heads facing the same direction as campers on the bottom bunk nor campers on bunks next to each other).
- Regular handwashing & hand sanitizing stations will be available and encouraged to be used.
- Social distancing will be in place.
- Masks will be required for indoor activities and those in close proximity outdoors.
- Camp staff has increased disinfecting of common surfaces throughout the camp, especially focusing on those areas where students are staying.
- MEALS: Meals will be served by gloved, masked/shielded staff only. Individually wrapped items will be used when possible.
- ISOLATION AREAS: Will be provided should any student or staff present with any symptoms while it is determined what action should be taken.
- When possible, sports and athletic activities will be done outdoors.

The goal of Water’s Edge Camp is to have safe fun camps for all students. While managing the challenges brought about by COVID19 but still providing a great experience for students cooperation from all students and parents will be needed to make this a great summer! If you have any questions, please feel free to contact the office 517-546-9683, office@watersedgencamp.org.
